| Project Title     | Royal Gifts Project: Bicentennial on U.S.-Thai Diplomatic Relations   |
| Project Summary   | Embassy Bangkok is looking for an intern for research assistance in connection with a high-profile museum exhibition in celebration of the bicentennial of diplomatic relations between the United States of America and the Kingdom of Thailand. |
| Country           | Thailand  |
| Agency            | Department of State   |
| DoS Office        | N/A   |
| Post              | BANGKOK   |
| Section           | PAS   |
| Number of Interns | 1   |

## Project Description

The intern will be responsible for assisting curators from the Meridian International Center and associated administrative staff with research and content development that will contribute to a large scale exhibition celebrating the bicentennial of diplomatic relations between the United States of America and the Kingdom of Thailand. Primary duties include reviewing historical sources, digital archives, and collection catalogs for information and media within the scope of the exhibition, under the guidance of the Meridian curators and Embassy staff. Additional duties may include preparing selected media for publication, proofreading didactic exhibition content, transcription, bibliographic annotation, fact-checking, and database entry.

## Desired Skills Interests

## Additional Information

Researcher should demonstrate experience with archival research as well as an interest in the history of American international relations and diplomacy. Other beneficial skills would include familiarity with Microsoft

Office, Cloud Storage Management (Google Drive or Dropbox), Adobe Creative Suite, and digital archives.
